

Article		Com 5000
Construction		woven contract bouclé
Pile fibre		100% polyamide permanently antistatic
Pile weight		ca. 750 g/m <sup>2</sup>
Total weight		ca. 2.100 g/m <sup>2</sup>
Total height		ca. 4,0 mm
Size/width		ca. 400 cm
Backing		textile backing
Body voltage	EN 1815	≤ 2 kV
Thermal resistance	DIN 52612	ca. 0,05 m <sup>2</sup> K/W
Fire class	low radius	euro class Cfl - s1
Light fastness	EN ISO 105-B02	6
Water fastness	EN ISO 105-E01	4 - 5
Resistance to abrasion	EN ISO 105-X12	5
Classification	EN 1307 class 4	extra heavy use
Guarantee		5 years wear
The technical figures are subjected to alterations for possible improvements
